

Villa Meltemi is a new villa near the seaside with beautiful sea views. The villa has three bedrooms and two bathrooms and can accommodate up to 8 persons.

The 140m² villa in a plot of 5,000m² is in a quiet location in Orkos, well away from the main tourist areas. It can be reached via an unpaved road which is accessible with a normal car.

At a distance of 100 meters is a small sandy beach. The large sand beaches of Plaka and Mikri Vigla are just a few minutes walking distance.

Mikri Vigla Beach has ideal wind- and kite-surfing conditions. Two wind- and kite surfing schools provide lessons and equipment hire. During the season, the village of Mikri Vigla has two well stocked supermarkets and a range of traditional tavernas.

Out of season, Naxos town, about 20 minutes driving distance, has some excellent supermarkets and a wide range of shops. For general freedom and mobility, car rental is recommended.

Naxos has ship connections with Piraeus/Athens and many other islands, including Paros, Santorini (Thyra) and Mykonos. There are also regular flights to the Athens airport.

Naxos is the largest and more fertile Cycladic island, with an exceptionally variable landscape. Since ancient times Naxos has been famous for its marble and agricultural products.
